WALK

OF

HONOR

Fallen Firefighter  
Memorial Park

## Show your support to build a **Walk of Honor** at the Fallen Firefighter Memorial Park

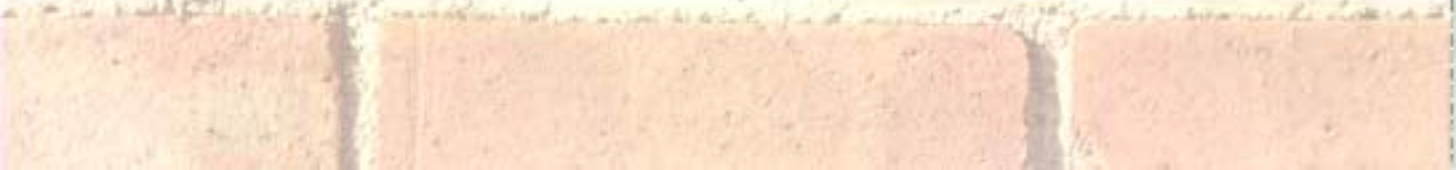

The Chief Herman W. Brice Fire Rescue Complex will soon be a reality; however we need your support to build a Walk of Honor at the Fallen Firefighter Memorial Park. You can help make this park a reality by sponsoring bricks on the Walk of Honor. Thousands of inscribed bricks will bear the names of individuals, departments and organizations. Bricks may also contain short messages chosen by their sponsors.

The bricks have three lines to provide ample opportunity to identify the name of the firefighter, the years served and a line with rank, station, or nickname. For an added cost, specialized logos may be displayed. Memorial bricks will allow all viewers to remember fallen firefighters who made the ultimate sacrifice.

Money raised by the Walk of Honor will be used to commission a mural on the six story training tower to pay tribute to firefighter history and heroism. The mural will demonstrate how American firefighters put their lives on the line, showing extraordinary deeds of courage in preserving human life.

Each October, the Fallen Firefighter Memorial Park will honor firefighters who have made the ultimate sacrifice in the protection of their community. In addition, the memorial will also be used as a remembrance site in honor of September 11, 2001. Visitors to the Fallen Firefighter Memorial Park will need to allow several hours to view all of the moving messages and tributes on the Walk of Honor.

Show your support to the fire service tradition and support the Walk of Honor at the Fallen Firefighter Memorial Park.

# Walk of Honor Order Form

**Standard:** 4" X 8" Brick with no art work

(maximum of 3 lines with 20 characters per line; including spaces) - \$50.00

Inscription Line 1:
